**CONFIRMATORY GRANT OF SECURITY INTEREST
IN UNITED STATES PATENTS**

THIS CONFIRMATORY GRANT OF SECURITY INTEREST IN UNITED STATES PATENTS (the “Confirmatory Grant”) is made effective as of July 11, 2025 by and from IDEAL LIVING, LLC, a Delaware limited liability company, AQUA TRU, LLC, a Delaware limited liability company, and AIRDOCTOR, LLC, a Delaware limited liability company, IONIC PRO, LLC, a Delaware limited liability company (each, a “Grantor”, and collectively, the “Grantors”), to and in favor of JPMORGAN CHASE BANK, N.A., (the “Grantee”) for itself and as Administrative Agent for the Secured Parties (as defined in the Credit Agreement referenced below).

WHEREAS, Ideal Living Intermediate II, LLC, a Delaware limited liability company (the “Borrower”), each Grantor, the Grantee, the other Loan Parties party thereto and the Lenders party thereto have entered into a Credit Agreement dated as of July 11, 2025 (as may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”).

WHEREAS, the Borrower, each Grantor, the other Loan Parties party thereto and the Grantee have entered into a Pledge and Security Agreement dated as of July 11, 2025 (as may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”).

WHEREAS, each Grantor owns the patents (the “Patents”) listed on Exhibit A attached hereto, which Patents are issued or pending with the United States Patent and Trademark Office.

WHEREAS, this Confirmatory Grant has been granted in conjunction with the security interest granted to Grantee under the Security Agreement. The rights and remedies of Grantee with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the other Loan Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Confirmatory Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms not defined herein shall have the respective meanings given to them in the Credit Agreement.

2) The Security Interest.

(a) This Confirmatory Grant is made to secure the satisfactory performance and payment of all the Secured Obligations. Upon Payment in Full of all Secured Obligations (other than Unliquidated Obligations that have not yet arisen), the security interest acquired by Grantee under this Confirmatory Grant shall be automatically released and Grantee shall promptly, upon such satisfaction, execute, acknowledge, and deliver to each Grantor all reasonably requested instruments in writing or otherwise, evidencing such release.

(b) Each Grantor hereby grants to Grantee a security interest in (1) all of such Grantor’s right, title and interest in and to the Patents now owned or from time to time after the date hereof owned or acquired by such Grantor, together with (2) all proceeds and products of the Patents, and (3) all

causes of action arising prior to or after the date hereof for infringement of the Patents or unfair competition regarding the same.

3) Counterparts. This Confirmatory Grant may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Confirmatory Grant that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Confirmatory Grant. The parties hereto agree that Section 9.06(b) of the Credit Agreement shall apply to this Confirmatory Grant, *mutatis mutandis*.

4) Governing Law. This Confirmatory Grant and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

IN WITNESS WHEREOF, each Grantor has executed this Confirmatory Grant of Security Interest in United States Patents effective as of the date first written above.
